## Graduate Program Admission 2023

Universitas Indonesia is the oldest university in Indonesia. Established since 1849 for the higher education of medicine. Currently, the university course has grown into 1 Vocational Program, 14 Faculties, and 2 Graduate School.

Universitas Indonesia declared as the best University in Indonesia according to <https://www.timeshighereducation.com> year 2019 -- 2022. This public university was awarded the best university in Indonesia four times in a row since joining THE in 2016.

Universitas Indonesia has two campuses; one is in Jakarta and the second one is in Depok. Depok campus is a green campus covering 320 hectares maintaining the ecology conservation by utilizing only 25 percent of area for academic, research and student activities. Most of all faculties are located in Depok Campus while Salemba in Central Jakarta has been the home for several graduate programs.
